

Telecom XT in-flight roaming

With Telecom XT roaming you're able to make calls, send texts and use data on certain flights whilst in route to your travel destination.

Please note

- XT Roaming is not available on Prepaid.
- XT Roaming is only available on the flights listed below and access to roaming services can be restricted at any time by the airline or flight crew.

Pricing

Outbound calls	Inbound Calls	Sending Texts	Data
\$13.00 per minute	\$1.00 per minute	\$0.80 per text	\$40.00 per MB

- All prices exclude GST. In most cases roaming charges do not attract NZ GST.
- Text messages include up to 140 characters.

Airlines/flights equipped for Telecom XT roaming

Country	Departure City	Route	Airline
